

How Elephants got their Trunks

Long, long ago

there

lived

baby

elephant

Hugo

but

trunk

because

small

noses

instead

curious

questions

parrot

wonder

what

crocodiles

eat

river

suggested

so

friendly

snake

please

show

Of course

replied

eventually

reached

curiously

peered

strange

creature

swam

edge

know

Excuse me

closer

quick

flash

grabbed

pulled

suddenly

slipped

slide

immediately

rescue

stretch

fell

almighty

splash

sadly

wrapped

sore

banana

leaves

hope

shrink

moaned

later

shrunk

think

what

lovely

pick

carry

gratefully

thanked

arrived

animals

laughed

angrily

pushed

other

watching

thought

useful
