

The Lion, the Rabbit, the Squirrel and the Mouse

Once upon a time lion sleeping under tree cheeky rabbit hopped

tail mane danced jumped woke grabbed holding down claws

roared dared know king beasts anyone deserves die kill eat

terrified shaking trembling begged please Majesty promise friend who

forever knows your life looked laughter absurd idea scornfully

mood opened eventually naughty squirrel hurried scurried danced

again mischievous mouse later wandering through suddenly caught

hunters snare struggle might could break free anger

loud shook forest animal heard including trouble

direction jiffy nibbled teeth humbly believe weak mightier
