

Sleeping Beauty

Once upon a time lived king queen who children sad but then

one day amazement baby excitement birth lovely daughter was

born decided grand feast celebrate arrival princess invitations

sent important people including fairies kingdom unfortunately the

nowhere found could given when over gave their gifts first

shall wise second beautiful third loving kind fourth uninvited

suddenly appeared furious because sixteen years prick finger spindle

dead raged straight away sleep hundred kiss next spinning wheels

destroyed wicked grew birthday party climbed tower room

cunning at that moment asleep castle thick hedge knights

Sleeping Beauty handsome prince riding magically finally

kissed opened eyes immediately wedding happily ever after
