

How Does It Feel?

This game comprises -

1 spinner (print out on card, laminate and insert pencil through centre to act as pivot).

1 game board (print out on card and laminate).

6 player boards (print out onto card and laminate).

36 playing cards (print out, cut out each card, fold so that the picture is on one side and the word is on the other and laminate).

How to play -

Each player has 1 player board (maximum 6 players).

The 36 playing cards are placed on the appropriate section of the game board. (6 cards on each section-cards are colour coded to match each section of the game board for ease of sorting).

The aim of the game is to be the first player to cover all six sections of their player board with an appropriate card.

Players take turns to spin the spinner and pick up a card from the pile indicated by the spinner.

Eg. If the spinner lands on 'Rough', the player may take a card from the 'Rough' pile.

Play continues until one player has covered all sections of their player board.
