Please don't eat me  
your Majesty! I did not  
mean to wake you.  
Please let me go and I  
promise I will be your  
friend forever. Who  
knows, one day I could  
save you life.

---

You, save my life?  
What an absurd idea!  
But you have made me  
laugh and put me in a  
good mood again, so I  
shall let you go.
